

WORKSHOP MANAGER

AVERY'S

CAR & COMMERCIAL VEHICLE ACCIDENT REPAIR CENTRE

We are looking for a Workshop Manager to join our busy team.

We carry out accident damage & body repairs and repaints on cars, van, trucks and coaches. We have 18 metre oven and inspection bays to cater for a huge variety of vehicles.

You will oversee all aspects of the workshop, ensuring customer and company standards are achieved, deadlines are met and all operatives are maintaining efficiency and productivity across their workload. This includes;

- Organising daily workloads for all operatives
- Checking vehicles prior to collection
- Vehicle bookings and liaison with customers
- Audatex estimating system

The role would suit an organised person with great communication and leadership skills.

Vehicle / Workshop experience is advantageous but not essential

This is a full time position with excellent rates of pay
45 hours per week plus overtime available
